

THE LEADER

Sandra Moody Gresham, LUTCF, CLTC, CPIA, Principal and Founder, is a recognized insurance expert and leader with more than three decades of industry experience. She has been recognized with many accolades over the years with the most notable being the 2017 Columbus Business First People to Watch in Insurance, the Grange Life Insurance Company President's Award, and becoming a member of the NAHU Leading Producers Round Table.

The Agency

Dehan Enterprises is an all lines, insurance agency serving a range of clients, including families, entrepreneurs and small business owners, non-profits and private and public entities. By partnering with leading insurance organizations, Dehan provides customized, innovative risk management solutions, high caliber insurance and financial products, as well as financial education to assist clients in the creation, accumulation, and protection of wealth.

Established in 1998, Dehan's competitive advantage lies in its consultative or educational approach to promoting its diverse products to the marketplace. This approach helps each client enhance their financial and insurance knowledge, while improving the financial health of the family, the business, or the organization. The company has successfully built a solid reputation for delivering practical risk management strategies, superior customer service and long-term client retention.
